

DUNA

arper

Duna

A compliment that extends beyond the collection, Duna tables offer a sturdy surface in circular, ovoid and square shapes that rest upon a sleek, steel base for use at home or office.

Available in two heights (50, 74 cm - 29 1/8", 19 5/8") in round, oval and square tops of white MDF or laminate in a range of sizes. Base is available in shiny or satin-finish stainless steel with column in white lacquered steel. Large tops are also available with double bases suitable for conference room applications.

Designer

Lievore Altherr Molina, 2000

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.
